

Find two ways the children in this picture are being the salt of the earth (telling others about Jesus' love). Look again. Circle seven silly things you find.

this week

Taste some food without salt. Then try adding a little salt. How does the taste change? Be a "saltier" person for God by inviting a friend to come to worship with you next Sunday.

Fifth Sunday after Epiphany

Welcome to worship.

In baptism we receive a lit candle and hear these words: "Let your light so shine before others that they may see your good works and glorify your Father in Heaven."

Draw your baptismal font.

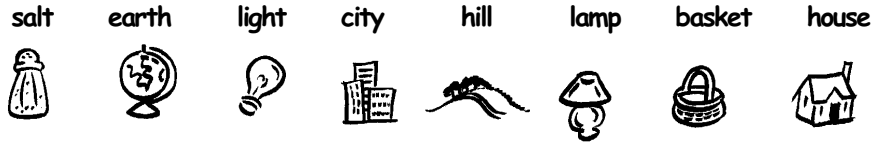

After worship, walk up to look at the font. Dip your finger in the water. Trace a cross on your forehead. Making the sign of the cross will remind you that in baptism you became God's child.

Salt and light

Matthew 5:13-16

Jesus was a teacher. He taught about God's love. Use the pictures to help you read one of Jesus' message.

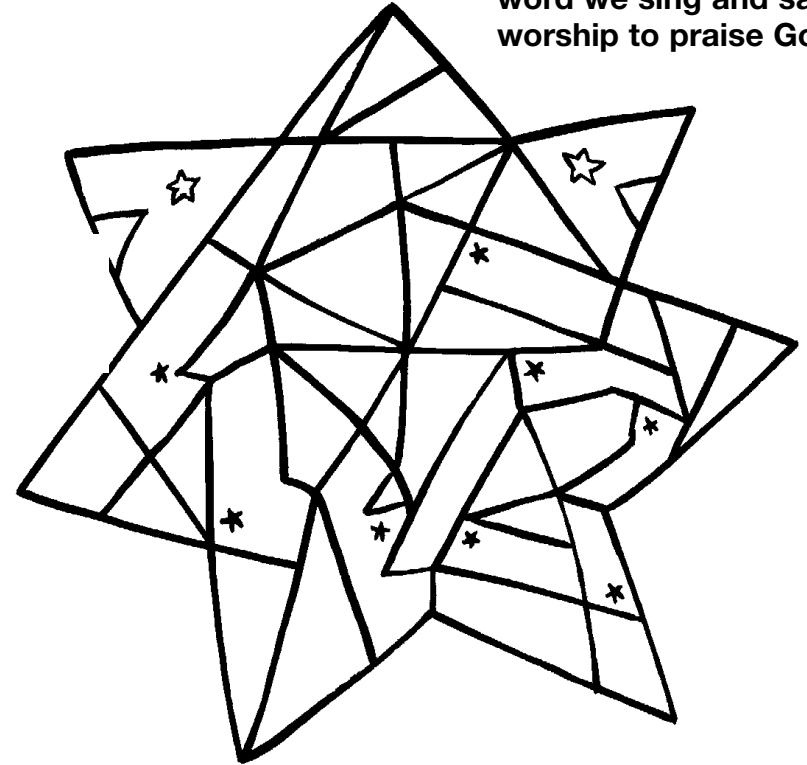

U R the  of the ; but if  has lost its taste, how can its  iness B restored? It is no longer good for anything.

U R the  of the . A  built on a  cannot B hid. No 1 after C ing a  puts it under the bushel  , but on the  stand and it gives  in all the . In the same way, let your  shine before others, so that they may C your good works and give glory to your Father in heaven.

Where have you heard the words in the last sentence of Jesus' message? (Hint: Look on the front page.)

We give glory to our Father in heaven each time we worship.

Color in the spaces with stars to find one special word we sing and say in worship to praise God.

What is one special word you can use to praise God?

Dear God, thank you for filling me up with lots of salt (your love). Help me shake out lots of salt (your love) on the people I meet every day. Amen.
