THE YOUTH COUNCIL OF SAINT MARK'S LUTHERAN CHURCH, 142 Market Street invites you to participate in its activities. If you want more information call the Church Office, 2-3158.

ADDITIONAL LEADERSHIP is needed from time to time. If you are interested in serving as a youth worker, please call Pastor Neumeyer at 2-3158. If there are no openings in the field in which you are interested, we will be happy to place your name on our list of future workers.

YOUTH ACTIVITIES ARE FINANCED by appropriations from the parish budget. Two years ago the Church Council voted an annual allowance to the Youth Council for its work in these fields. In some cases supplementary aid is given by members of the groups themselves.

OUR AIM IS TO BRING CHRIST into all of our youth activities. We are not simply interested in activity for the sake of activity. We are interested in "Christian Activities". If you are interested, participate. It's for you!
