SYNOPSIS OF THE MINUTES OF CONGREGATION ASSEMBLIES

The Annual Congregation Assembly was held on May 16, 2010, following the 10:30 service, in the Nave. President Gary Weber called the meeting to order. The congregation elected Nick Buckman, Gregg Dancho, Bob Miller, and Ruth Pile to 3-year terms of service on the Council. The booklet of annual reports was accepted. The congregation ratified the acceptance of three grave plots given by the Tim Maggs family, to be available for use on short notice, under the guidance of the president and Pastor.

A Special Congregation Assembly was held in two sessions on December 12, 2010 following each service, for the purpose of action on the 2011 budget for the parish. The meeting was called to order by President Gary Weber. The budget was introduced by Treasurer Ken Shafranko on behalf of the Council. It was adopted.

PRESIDENT'S REPORT

Gary Weber, Council President

St. Mark's has just entered its 160th year as an active Lutheran congregation in Williamsport. We celebrate the rich history and traditions of St. Mark's, and the people who have made possible this long history of service to the Christian community.

At the same time, as members, we must work hard to maintain and update the traditions of the Church. St. Mark's has a dedicated and hard working pastor

and staff, but only part of the effort required to offer regular worship and other essential Church services is performed by the paid staff. Volunteers perform so many of the functions we take for granted as we worship – decorating the nave, washing communion cups, acolytes, ushers, communion servers, assisting ministers, bulletin staplers. Our Sunday School teachers help make worship more meaningful. During the week, money counters, gardeners, handymen (and women), Web site and *Lion* contributors all go beyond the call of duty to perform routine, but essential responsibilities. And those of us who like to eat have seen the dedication of the kitchen volunteers to the success of many events involving the service of food.

One group of our members who serve the Church in a most important way is perhaps the least recognized. The Congregation Council meets monthly to conduct the business of St. Mark's. Many difficult decisions are placed on the backs of these dedicated individuals – financial, personnel, policy and planning are all regularly addressed by Council. This year Council is losing four of its members – Todd Smith, who has served for the last two years as vice-president; Beth Shafranko, currently the assistant secretary, long-time chair of the Worship & Music Committee and member of the Mutual Ministry Committee; Scott Bittner, chair of the Property Committee; and your president. As president for the last two years, I have seen, first-hand, the countless hours and care that Council members and the many other volunteers have given and continue to give to St. Mark's. I marvel at the capacity of many of our members to give freely and frequently of their time. At the same time, we should all recognize that many hands make for light work. There is a place for every member of St. Mark's to help out. Not everyone can be a Council member, assisting minister or Sunday School teacher; but serving on a committee or washing communion cups or preparing meals may be more your style. If you want to serve, talk to the Pastor or a member of Council - you will be led to the place where you can best serve.

After six years of Council service, I will be leaving after the May election of new members. I have enjoyed serving and have appreciated the opportunity to work with Pastor Elkin and current and past Council members. I wish the best to the newly elected members of Council and ask that you work with them to continue to do great things at St. Mark's.

~ Gary Weber

Thanks to the many persons who assisted in so many different ways in Iron Chef: public meal preparations, dining room staff, First Contact staff, referee and judges, Beiter's Home Center for the loan of chairs for the judges, the various radio stations and the newspaper for their publicity, Joyce Hershberger who managed the patrons' list, Gary Chrisman the announcer and many more. Most especially, we thank Ruth Rees and Bernadette Jones who joined with Pastor to make the intrepid Iron Chef cooking trio for 2010.

11. We need to carefully study the provision in our constitution that says *This congregation accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.*
12. We need to discern a way to honor the bound conscience of those who cannot in good conscience financially support the organization of the ELCA as it is presently directed.

Activities:

1. We thank retiring committee members: Nancy Larson and Beth Shafranko for their dedicated service on the Committee.

WORSHIP AND MUSIC

Beth Shafranko, Chairperson

The purpose of the Worship and Music Committee is to proclaim Jesus Christ to each other and to all the world by Word and Sacrament in and beyond the congregation. To this end the Committee shall see that the worship of God is conducted in good order in accordance with the Bible and the Lutheran tradition.

The Worship and Music committee, in an oversight capacity, continued to be very busy again this year within the congregation, as well as the community. We have two beautiful spaces for worship and the nave where we sang Sunday liturgies, weddings, funerals, concerts and other events; and the chapel where we sang a variety of services including Morning Prayer, Lenten services funeral visitations, Children's Church and more.

The committee is pleased to recognize the musical groups serving in the church's worship: the senior choir, the adult hand-bell choir, the family hand-bell choir and the many soloists both vocal and instrumental. Under the direction of Donna Elkin various youth have participated during the past year as instrumentalists as well as two of our youth having joined the senior choir. We are very pleased with all involved and especially applaud our musically talented youth.

With the resignation of our long-time friend Richard Lakey as Music Director and organist, Donna Zierdt-Elkin, who is a music teacher in the Jersey Shore school district as well as an accomplished organist, stepped in and performed those jobs while the Search Committee interviewed a variety of musicians to replace Dick. Jungwha Kim will fill the capacity as a part-time musician in the role's that Mr. Lakey had filled over the past 33 years starting on May 8 of this year. Donna performed with cheerful and talented instruction the choirs and soloists, both vocal and instrumental, from mid-October through the seasons of Advent, Christmas, Lent and Easter. We are extremely grateful to her for helping us through this time of transition. Thank you Donna!!! We also look to expand the number of folks, both young and old and in-between, who would like to be engaged in musical leadership in the church's worship.

Non-perishable food, flowers, quilts, clothing and financial contributions were gathered and then shared in support of various community and global efforts. Outreach programs to our shut-ins provided home-communion for those congregational members who were unable to attend regular services. We also reached out to them with cards, carols, visits, flowers, phone calls and more. Pastor Elkin has been going to the Williamsport Home, where many of our elderly members live and are unable to attend Sunday services, to lead a Holy Communion service with Word and song on a quarterly basis. These folks are visited at other times by Pastor and other church members as well as receiving home-communion as part of that service.

The Altar Guild was extremely active again this year with their rigorous scheduled activities to keep the church supplies and articles in proper order.

Acknowledgment must be made for the diligent service of our committee members, musicians, the behind the scene helpers and those who share in the worship leadership roles. Without the assistance, leadership and contributions of all of them, our services to the Lord would not be as fulfilling. The committee would like to express our sincere appreciation and thankfulness to Pastor Elkin and Donna Zierdt Elkin – their leadership in both areas is truly inspirational.

Additional communion assistants, assisting ministers, communion assistants and acolytes were introduced this year. The service opportunities are always expanding. There still is a critical need for

assistance in our Nursery during Sunday services as well as the delivery of flowers to those in the nursing homes and hospitals.

Children's Church continues to occur on one Sunday morning each week during the 10:30 service. Attendance has grown during this time with family members of the kids and other interested people in attendance also. The children do a terrific job taking turns at leadership in their service. The service is completed in time to join all in the nave for Holy Communion.

I would like to thank all who so graciously help in the many duties to keep things flowing throughout the entire year, especially the committee members: Lucille Weaver, Lois Smith, Roxie Larson, Sally Bjornstad, Mary Lou Doebler, Cindy Huff, Bev Hieber, Gregg Dancho, Connie Shaible and Michele Owen.

Challenges continue each year mainly in the areas of volunteerism, meeting parishioners' needs and increasing our membership. It may not be obvious to most people that it truly takes a host of people to keep the church, music and worship services ministering properly. This is most evident during the Christmas season and Holy week, but this need continues every day during the year. There exist numerous opportunities for volunteer ministry here at St. Marks. Please feel free to contact any member of the Worship and Music committee or Pastor Elkin if you are able to share in any of the various volunteering capacities. Together we all will continue to praise and proclaim Jesus Christ through his Word and Sacrament.

CHRISTIAN EDUCATION COMMITTEE

*Youth and Family Ministry Coordinators
Michele Owen and Bernadette H. Jones*

The purpose of the ministry of Christian Education is to proclaim Jesus Christ to each other and to the entire world by planning and administering the total educational program of the parish. To this end, the Youth and Family Ministry Coordinators supervise educational opportunities for all youth and adults in and beyond the congregation in the Christian faith as found in the Bible and the Lutheran tradition.

Sunday Church School:

1. For curriculum, we continue with Augsburg's SPARK program which is lectionary based. The materials are very "user friendly" and reinforce each Sunday's lesson with the children.
2. Our youth were divided into the following configuration based on numbers, age, and/or grade level: preschool (3-4 year olds)—kindergarten; grades 1—2; grades 3—4; and grade 5.
3. Our middle school class of 6-8 graders continues with the *To Know, to Live, to Grow* program by Augsburg Fortress.
4. The confirmation class includes seven members who meet on the third Sunday of every month with their families, mentors, Pastor and Bernadette. They all have been involved in a variety of service projects.
5. Lou DeSeau and Bob Jones continue teaching the high school class. The curriculum revolves around topics of concern with the students and revisits prayer and parts of the service. The class is consistently attended by 5-6 youth.
6. The monthly rotation schedule for teachers continues to be successful, although volunteers are sparse.
7. Pastor Elkin led the adult class in the Crossways room.
8. The Middle Lounge Class for adults was led by Kathy Dancho on a variety of subjects.

9. Vacation Bible School, Group's *High Seas Expedition*, was held in June, 2010. Roughly three dozen children attended, with 9 teen assistants and two dozen adults in teaching/support positions.
10. Adult forums were presented in the Crossways Room each Sunday in August.
11. We hosted Lutheran Shared Ministry's School of Religion.
12. We organized the Twelfth Annual Youth Retreat for confirmands in January.
13. The Way, a process of faith formation, under the leadership of Pastor Elkin and Melvin Wentzel continued. All four candidates affirmed their baptism and one became a member of St. Mark's at the Great Easter Vigil, April 23, 2011.
14. Children's Church continued on a once a month schedule during the school year.
15. A joint celebration for all Sunday Church School attendees was held in Fellowship Hall during the Sunday Church School hour at Easter.

Youth and Family Ministry Activities:

1. Passing on Faith (formerly Child in Our Hands), remained a keystone of our family ministry at St. Mark's. Milestones celebrated this year: Receiving blankets for newborns; First Communion; Baptismal Lunch with faith chests for recently baptized; Prayer Pillows were given to children ages 2-4; children in kindergarten and 1st grade received "All the Languages of the Good News" bags; third graders received their Bibles; The Blessing of the Keys was offered to those youth who became new drivers; and "Progressions," a new milestone for those young adults leaving for college, the military or business and their parents.
2. The Annual Church Picnic was held at Montoursville's Indian Park.
3. A dinner/pool party was held for first and second year confirmands, their families and mentors on July 11, following the confirmation camps.
4. St. Mark's Church Choir Camp was held for one week last summer. The intergenerational cast of 30 rehearsed *Wizard of Oz* for performance Saturday evening, August 7.
5. Five of our youth were confirmed on September 13, by Bishop Driesen. A luncheon for the Bishop and the families was held afterward.
6. Teen Movie Night continues for our youth on the fourth Sunday of every month. There is a consistent attendance on these evenings.
7. A group pack'n'wrap for Operation Christmas Child was held in November. Participants packed 43 shoe boxes with small gifts for needy children around the world.
8. A group of 21 traveled to Corning to view the museum and design gifts.
9. Family Advent Wreath Making & Luncheon was attended by over two dozen people on the first Sunday of Advent.
10. Kids' Morning Out was attended by 10 children; 10 teen assistants were on hand as well.
11. The 7 members (and 5 visitors) attending the Christmas Cookie-Baking event produced the cookies sent for our shut-ins.
12. Christmas Caroling was conducted by 22 carolers, visiting all of our shut-ins who were at home.
13. A Christmas Carol: raised \$894 for United Campus Ministry of PCT. Many of our youth were involved with the production end and the meal. Many our adults performed as carolers and in other areas.
14. Well over 70 pieces of winter warmers, scarves, hats, and gloves were collected for those in need. Two dozen teddy bears were collected and given to local shelters.
15. Bread-baking this year was led by Pr. Elkin and Michele: our kitchen was once again filled with laughter and the wonderful smell of baking bread.
16. Ed Gair continues crafting our Faith Chests for the Baptism Milestone; John & Ruth Burkholder continue with ornaments and keepsakes for various milestones.
17. We trained four new acolytes in January.

- The children bagged jelly beans and included a card with a special prayer to hand out to the congregation on Easter Sunday.
27. The St. Mark's Old Fashion Church Family picnic is scheduled for Sunday, June 5, 2011.
 28. Summer Choir Camp will be held this summer. The program is yet to be decided.
 29. Vicki Hospes and Brittany Toy continued to schedule nursery and acolyte volunteers, respectively.
 30. Family hand bell choir continued under the direction of Donna Elkin.

SOCIAL MINISTRY COMMITTEE

Becky Pryor-Miller, Chairperson

The purpose of the Social Ministry Committee is to proclaim Jesus Christ to each other and to all the world by providing opportunities to share Christian love. To this end, the committee will address social needs by leading the congregation in extending Christian compassion and helpfulness to the aged, ill, orphaned, and persons of all ages in need.

Since assuming the chairmanship of this committee in June of 2004, it has been my goal to continue with the many long-standing activities of this committee and to expand our congregation's service to our community in additional ways. In fulfilling those goals many members of the congregation assisted with various activities throughout the year. Our outreach to the community included

1. Hosting the community on our front lawn for the Fourth of July festivities. We provided refreshments, information about St. Mark's, and good cheer to more than 400 people.
2. Providing food and monetary donations to St. Anthony's Center.
3. Entertaining the 16 residents of the Selinsgrove Center with songs, a story, and gifts for the residents and their caregivers. It was our most engaging visit to date with the ladies of CM-6.
4. Providing sweatshirts, socks, pajamas, robes, slippers, and the like for Christmas gifts to 35 residents of the Danville State Hospital.
5. Collecting hygiene items, linens, and making monetary donations to the Shepherd of the Streets Emergency Fund.

6. Supporting the work of The Pregnancy Care Center by providing clothing and baby items through our association with the Newberry Branch of NGA.
7. Collecting a variety of non-perishable food for the United Churches Food Pantry. This is an ongoing activity for our congregation. These ongoing donations support the work of the Worship and Music Committee.
8. Assisting the Women of St. Mark's in their collection of school kits, hygiene and sewing kits, and infant layettes.
9. This year saw the opening of Family Promise of Lycoming County. Jane Zimmerer and Becky Miller Pryor are co-coordinators for hosting at St. Mark's. They have collected items needed for hosting, attended training, and continue preparing for families experiencing a housing crisis. To date we have hosted families experiencing a housing crisis four times between May 2010 and May 2011. This is by far the most significant work of the Social Ministry committee.
10. Assisting with the Iron Chef Williamsport cooking competition to raise money for Family Promise.
11. Welcoming the ongoing assistance from Gary Weber in posting this committee's activities on our web site.

Pastor and other members of the congregation provide service to our community and beyond by volunteering locally at St. Anthony's Center and Shepherd of the Streets.

Many other opportunities to reach out in Christian love to our neighbors exist. I encourage you to pray and answer Christ's call to serve.

We can do no great things – only small things with great love. ~ Mother Teresa

PROPERTY COMMITTEE

Scott Bittner, Chairperson

The purpose of the Property Committee is to proclaim Jesus Christ to each other and all the world by promoting the use of the congregation's physical resources in the support of our Christian Mission. To this end the committee arranged for the promotion, protection, maintenance, repair and expansion of church properties. The Committee supervises the use of the same by the congregation and other organizations so that the facilities are adequate for the functions assigned by the congregation.

There are a great number of tasks that need to be done to keep the property in good functioning order and ready to serve as tool for mission. The following list is some of the larger items of maintenance, repair, and improvement; we have chosen not to list many smaller items.

1. The Parish House steam boiler jacket was resealed and pressure switches were relocated.
2. The annual preventative maintenance for all the boilers was done.
3. Smoke alarms were installed and hard-wired in the choir hallway, fellowship hall, the crossways room, and nursery. (Thus if one is activated, all will sound.)

8. Little Lambs purchased a replacement cupboard for their staff break room.
9. Wheels were installed on the Crossways planters.
10. The telephone in the Nursery was repaired.
11. A telephone was installed in the kitchen and in the Snell room for Jungwha.

12. Plaster repair around the windows was completed on the second floor, and chapel ceiling.

14. Little Lambs purchased a dehumidifier for basement play area.
15. Proper electrical outlets were installed for the steam table around fellowship hall.
16. Outdoor lighted sign was cleaned and bulbs were replaced.
17. Weed-whacker was purchased for the property.

25. Lighting was installed over the sinks on the west wall of the kitchen.
26. Hinges on the west entrance door to the Parish House were replaced.

FINE ARTS COMMITTEE

Joyce Hershberger

It is the task of the Fine Arts Committee to proclaim Jesus Christ to each other and to the world by searching out what is good, true and beautiful to serve as aids in the proclamation of the Gospel.

Our primary focus in the latter part of the year has to be to get Fred Snell's old office ready for Jungwha Kim, our new organist and choir director who begins her work on May 8. Some of us

remembered that the cabinets in that room were the same as they had been when Fred was here so it was a real challenge to bring the room into the twenty first century.

We began with the selection of a rug and then coordinated paint to make the room more cheerful and welcoming for its new function. Through the efforts of Pastor Elkin and Lou DeSeau it is shaping up to be a great space. More need to be done but it has been a great start.

My thanks to a great committee always ready for a new challenge – Jane Larson, Lucille Weaver and Bob Miller and of course to Pastor and Lou who are always ready to help.

~ Joyce Hershberger

LIAISON COMMITTEE

Joyce Hershberger

It is the task of the Liaison Committee to proclaim Jesus Christ to each other and to all the world by maintaining the connection between the Little Lambs Pre-School and the congregation.

We meet on a quarterly basis to discuss dates of mutual interest, consider requests for additional space and attach costs to those space issues.

We are all happy that the outdoor play equipment has been installed and is in use- the children have enjoyed the opportunity to be outdoors in a safe environment and have helped to beautify the space.

The committee deals with a multitude of issues including space issues, repair and maintenance concerns, coordination of dates for special events and equipment needs.

We continue to have a very good relationship with Little Lambs and we feel it is a good thing to have them as part of St. Mark's family.

Special thanks to Lou, our *jack-of-all-trades* sexton, who is always ready to accommodate the needs of Little Lambs, always cheerful and

uncomplaining - he is a real asset to us and to Little Lambs.

Pastor Elkin, Nancy Larson, Lou DeSeau, Bernadette Haas and I meet with Holly Tillman, school director, and consult with other committees as needed.

~ Joyce Hershberger

STEWARDSHIP COMMITTEE

The purpose of the Stewardship Committee is to proclaim Jesus Christ to each other and to all the world by initiating programs for the development of good use of all of the resources entrusted to us by God.

ARCHIVES COMMITTEE

Clinton Eppleman, Chairperson

It is the purpose of the Archives Committee to keep and protect the heritage of the St. Mark's Lutheran Church.

As one might expect for a church with nearly 160 years of history, St. Mark's has a rather extensive archive. For much of that history the archive has been a victim of benign neglect. That is, records, photographs, documents and publications have been kept, but mostly in a disorganized and random state.

A few years ago, the History Committee under Dorothy Berndt undertook an extensive effort to gather, organize and catalogue records in the archive. This undertaking was successful in bring-

ing together all of the records, in categorizing and boxing similar records and in creating an index of the types of records and their topics.

Additionally, some of the records have been scanned and preserved digitally. Indeed, some photographs and historical records are preserved for public viewing on the St. Mark's Web site, www.stmarkswilliamsport.org, in the history section. Separately, we have scanned all of the early Pastors' records (back to the congregation's founding in 1852) and these records are being regularly posted on a genealogy Web site hosted by RootsWeb, <http://freepages.genealogy.rootsweb.ancestry.com/~stmarkswilliamsport/index.htm>. There members or relatives of former members can view the actual pages of the Pastors' records that record baptisms, confirmations, marriages and burials.

Although much has been done to preserve St. Mark's archives, a great deal of work is still required. Of greater concern are the current space constraints, difficulty of access and lack of display space. The archives have been stored in 2 closets in the high school Sunday School room and in cupboards in the former Snell office. The closets are bursting at the seams. The materials in the Snell office have been stacked in the high school room as the Snell room is being remodeled to resume its use as the Music Director's office. In any event, the rich history represented by the materials that are stuffed into the boxes is mostly inaccessible, and there is no place where the materials can be displayed for the congregation to examine. In the short term, the storage issue must be addressed.

Over the longer term, we must complete the indexing of records and then create a digital record of the index. Scanning of photographs and documents, as well as the Pastors' records must continue, to preserve the records and to allow for Internet access. Ultimately, indexing of the Pastors' records so that all the data is preserved in a computer record, and is searchable by name, is a laudable goal, but one that would require a tremendous effort by very dedicated volunteers. Anyone willing to join this effort is welcome.

FINANCE ANNUAL REPORT

Ken Shafranko, Treasurer

The purpose of the Finance Committee is to proclaim Jesus Christ to each other and to all the world by managing the financial resources of the congregation.

WOMEN OF THE EVANGELICAL LUTHERAN CHURCH IN AMERICA

Shirley Hill, Chairman

The purpose of the Women of the ELCA is stated as a community of women created in the image of God, called to discipleship in Jesus Christ, and empowered by the Holy Spirit. We commit ourselves to grow in faith, affirm our gifts, support one another in our calling, engage in ministry and action, and promote healing and wholeness in the church, the society, and the world.

The 7,000 units of the Women of the ELCA combine to form an organization dedicated to bringing God's message of love and peace to the world. Our own unit, The Women of St. Mark's, participates in this work both inside and outside our community.

St. Mark's continues to rank among the highest in our Synod in quilt, kit, and soap projects for Lutheran World Relief. Our Blanket Sunday collection of funds helped to purchase blankets for those in need. We also collected used cell phones and used eye glasses for recycling.

Our proudest achievement is the making of quilts. Last year we produced 101 quilts that were sent all over the world to cover desperate people with warmth and love. Our faithful group of women work at home and at church every

Wednesday morning. Thank you, Lucille Weaver, Grace Arner, Lillian Skeeby, Shirley Hill, Ruth Sherlinski, Ernestine Doane, Elsie Sechler, Dorothy Bingaman, Alona Hopley, Liz Ruesskamp, and Roxie Larson.

The profit from our rummage sale, chaired by Jane Kline, resulted in contributions to both local and global charities. Although we found it necessary to reduce some contributions, we continued to send donations to Shepherd of the Streets, United Churches of Lycoming County, Camp Mt. Luther, St. Anthony's Center, Habitat for Humanity, Church Women United, Lutheran World Relief Shipping Fund, ELCA Disaster Response (Domestic and International), American Rescue Workers, Newberry Branch of New Garment Agency, and Family Promise.

An enjoyable Women and Children's Dinner was organized by Bernadette and Michele, featuring a professional storyteller. A delicious dinner was prepared by Bob Jones and crew.

Because of illness and our older members passing away, we continue to face a seriously declining membership. We have faith that God will inspire younger women to join us. All the women of St. Mark's are encouraged to join our activities and enjoy the fellowship. Lasting friendships are formed as we go about God's work and proceed on our faith journey.

We are so grateful to God for the blessing of a congregation that can be counted on for support. Thank you, St. Mark's, for all your generous help by bringing in quilt and kit materials, soap, and rummage sale items. In these ways you are "giving back" to the glory of God.
