Our 125th Year

MESSAGE FROM THE PASTOR

THE REV. FREDERICK G. HASSKARL
Pastor

It is a distinct pleasure to share with you our first Pictorial Directory. It can serve as a reminder to us of several things:

- 1) That a congregation is a group of people: flesh and blood, with faces and names; not just a catchall expression of an anonymous identity: St. Mark's Lutheran Church.
- 2) That we, as God's people, are alive and in fellowship with our God and each other. Amid these faces and names are council members, teachers, choir members, committee members, acolytes, ushers, lay readers, communion assistants various group members and other volunteers — all serving our God and each other.
- 3) That we continue the trust and heritage passed on to us by hundreds unknown to many of us, but nevertheless our forebears in the faith, providing a proud heritage of a congregation that has worshipped and served together for 125 years.
- 4) That perhaps we will become better acquainted with each other as together we move into the future determined to continue our identity as God's people, accepting our call to serve each other and bear witness to the presence of God in our lives.

To all who made this 125th Anniversary Pictorial Directory possible — — — past and present — — — a hearty thanks!

Pastor Hasskarl
