## Social Ministry & Women of St. Mark's

### Fourth of July Celebration

It is time to begin planning for our annual July Fourth celebration on our front lawn. Last year we welcomed more than 300 people to St. Mark's. To be ready for a big crowd again this year the Social Ministry Committee needs donations of

- bags of popcorn
- containers of lemonade and ice tea mix
- two-liter bottles of soda in all flavors, both regular and diet
- bottled water in 8 oz. and 16 oz. bottles
- snack size bags of chips, pretzels, and fruit snacks
- bags of Tootsie Rolls, Dum-Dum suckers, Smarties, and bubble gum
- boxes of snack size plastic bags
- bottles of ketchup, mustard and jars of sweet pickle relish,
- small prizes and trinkets
- money to offset the cost of hotdogs, rolls, popcorn oil, ice and other trinkets.

Donations of these items can be placed in the Narthex. Checks may be made payable to St. Mark's earmarked for July Fourth.

Volunteers are also needed to set up, serve, and clean up this event. Please speak with

## School Kits, School Kits, it's time to fill our School Kits!

Check out the school bags that will be available in the Narthex during June. Take one (or more) and fill them with the items requested. During the summer return them to the box in the coat room. Many stores run sales on some of these items. There will be free construction paper in the coat room. These school kits may provide the only supplies for children returning after the disruption of natural disasters, or a war, or while living in a refugee camp. Many children in the world do not have the privilege of automatic education as the children in our country. Kits can also be used in adult literacy classes. Each school kit will need:

Notebooks approx. 8" x 10" totaling 150-200 sheets  
(3 of the 70-sheet notebooks are preferred) (no loose-leaf sheets)

1 blunt scissors (metal blades)

1 ruler (12" or 30 cm)

1 pencil sharpener

6 unsharpened pencils w/erasers

1 - 2 1/2" eraser

12 sheets construction paper

1 box crayons (16 Or 24)

There is no greater way of serving God than by helping neighbors in need.

This is Christian love!

## Children's Church

The last children's service of this school year was held on Sunday, May 12. Thank you to all those who helped make all the services this year so wonderful: readers, acolytes, ushers, greeters, those who volunteered during the sermon, Mrs. Boone and Mrs. Elkin for the music, Mr. De-Seau for setting up for us, Pastor Elkin for his knowledge, the adult ushers who "cued" us for when it was time to go to the Nave, and all those who attended.

Thank you, thank you!! We couldn't have done it without you!!!

Having finished their course of study for this school year, our confirmands—Corey, Riley, Devin, Emily, Stephen, Theoron, Max, Katelyn and Hannah—are ready to go with confirmation camp on July 13-15 (yes we are giving them a break before then!).

These nine have met with their families and mentors (Declan, Clint, Nick, Jane, Bob, Steve, Lou, Vicki & Cindy) the third Sunday of every month since September, studying the gospel according to Luke and exploring different aspects of worship, prayer and service, as well as doing some service projects with their mentors.

When you see any of these young people, please thank them for their services and encourage them in their further studies.

# News from the Pews

As school winds down, our young people are making plans to enter or continue in higher education this fall. **Sara Larson** will be graduating from South Williamsport HS on 6/5/09. She is a member of the National Honor Society and was recognized at their ceremony and banquet in April. She will be joining her sister at Bloomsburg University in the fall and will be majoring in accounting. Following a trip to Ocean City, MD., she will be working part-time at Blaise Alexander Dealership in Montoursville.

**Jamie Larson** has completed her sophomore year at Bloomsburg and has achieved deans list for all four semesters. She has been a recipient of the Mitrani Academic Scholarship each semester. She has declared Business Marketing as her major. She also was in the cast of "Batboy the Musical" last October. Following finals week she went to Canada with the choir and sang at St. James Cathedral in Toronto. Keep an eye out for her this summer as she will be working with PennDot on the road crew!

More news to come on the college front – please send me the accomplishments of your graduates so that my information can be complete. We are really proud of our young people and want to be sure to tell the whole story!

New babies to report – **Kim and John Hufnagle**, daughter and son-in-law of **Ray and Cindy Huff**, welcomed a new baby boy, Benjamin Ray, and another grandson for Ray and Cindy and great-grandson for **Larry and Luella Bair** on Mother's Day. **Ted and Amie Lawson**, daughter and son-in-law of **Barbara and Ted Larson**, and granddaughter of **Ted and Jane Larson** welcomed a baby girl named **Lucy**. Congratulations to **Irma Logan** for 5500 hours of service at Susquehanna Health System. Irma has pushed the cart carrying snacks, newspapers and the like over the eight floors of the hospital for three days a week for 15 years. That is quite a record – good for you, Irma!

And lastly, **Katy Elkin** and her ensemble Le Tendre Amour received a glowing review from a critic for their recent performances at the Saint Pölten Baroque festival in Austria. In part, the critic said: "What an enchanting promenade through a musical garden - full of colour - a splendid sound - lively and high-spirited dances - not to mention the tender rendition of gentle love songs. The historical instruments were magnificent.... The result...glorious!" **Pastor and Donna** are justifiably proud parents!

## Special Thank You's

Dear friends at St. Mark's,

Thank you so very much for all the get-well-wishes I received by your cards and phone calls, prior to and after my surgery. I truly believe they were instrumental in my rapid recovery. Your prayers strengthened me spiritually and your words of encouragement strengthened me mentally and physically. Also, thank you for the beautiful pale pink azalea plant. It is truly gorgeous. May God continue to hold each of you in His loving arms!

God's love & mine, Susan Mahserjian-Smith

## Nurses notes

**June 7** Here is some great advice from a friend who uses her Wii (pronounced We) for some fun exercise, titled "*Who Do You Chose To Exercise With?* Wii Fit uses the Wii's system of people icons called Miis (pronounced Me). You can create a Mii to represent yourself in the games. Some activities show other Miis, including the other ones you created. You can also download Miis from the Mii channel and your friends can bring their Miis over in their Wii remote controller. So, I downloaded Abe Lincoln and Barack Obama to exercise with! What a hoot to see Abe jogging along side me! I saw JC the Mii channel, so I add-ed him. It is great to see a Jesus character smiling and waving at me during excercise, throwing me hula hoops and such! Then I added my Mother as a Mii, even though she lives 10 miles from here. She wants me to lose weight in real life, so now her little graphic representation encourages me on the TV screen, too. Then, I made a Mii to represent my Dad, who's been dead for over 10 years. It's great to see him encouraging me along, too! Who do you choose to exercise with?" Kathy Kolb, Williamsport, PA

### June 14 Childhood Safety - In and Around Cars

- Walk completely around your vehicle before getting in it.
- Know where children are. Have children stand in a place where they are in full view.
- Be aware of young children. Young children are small and hard to see.
- Parents, caregivers and all adults need to be vigilant in supervising children, especially when children are in the yard, driveway or parking lot playing near parked cars.
- Roll down your window so you will be able to hear what is happening outside your vehicle.
- Owners of SUVs, trucks, and vans need to take extra care to avoid hitting or running over a child.
- Teach children to move away from a vehicle whenever it is started – especially important with quiet running hybrid vehicles!

(Source: *Gig Harbor Fire & Medic One, Gig Harbor, WA*) as reported by (Gensemer, SJ, (May 2009) Violence and Injury Prevention Program, Monthly Digest, Division of Health Risk Reduction, PA Department of Health).

### June 21 Dog Safety tips for children:

To help prevent children from being bitten by dogs, teach the following basic safety tips and review them regularly:

- Do not approach an unfamiliar dog.
- Do not run from a dog or scream.
- Remain motionless (e.g., "be still like a tree") when approached by an unfamiliar dog.
- If knocked over by a dog, roll into a ball and lie still (e.g., "be still like a log").
- Do not play with a dog unless supervised by an adult.
- Immediately report stray dogs or dogs displaying unusual behavior to an adult.
- Avoid direct eye contact with a dog.
- Do not disturb a dog that is sleeping, eating, or caring for puppies.
- Do not pet a dog without allowing it to see and sniff you first.
- If bitten, immediately report the bite to an adult

(Gensemer, SJ, (May 2009) Violence and Injury Prevention Program, Monthly Digest, Division of Health Risk Reduction, PA Department of Health).

**June 28 Soap that harbors bacteria??** "One recent study found that about 25% of liquid soap dispensers in public restrooms were contaminated by fecal bacteria. Most of these containers are never cleaned, so bacteria grows as the soap scum builds up, and the bottoms are touched by dirty hands, so there's a continuous culture going on feeding millions of bacteria. **Keep it clean:** Be sure to scrub hands thoroughly for 15-20 seconds with plenty of hot water—and if you have an alcohol gel disinfectant, use that too." ## HEALTH, HEALING & WHOLENESS

*Let the favor of the Lord our God be upon us, and prosper for us the work of our hands—  
O prosper the work of our hands. (Psalm 90:17, NRSV)*

In the psalm, the writer is basically asking God for a blessing on the work of his hands so that it may reflect the goodness of God and further His kingdom while still on this earth. It takes on a much more plaintive quality if serving as a prayer for the person who has lost his/her employment as the result of the current economic situation. On May 8, 2009, ABC News reported on the toll that job loss is taking on the physical health of our friends and neighbors who find themselves out of work. The reporter cited a study, published that same day in the journal of Demography. The researcher noted that job loss leads to an "increased risk of high blood pressure, heart disease, heart attack, diabetes, or depression – even after finding a new job" and went on to note that, "Losing a job through no fault of one's own, led to a 54% increase in that person reporting poor health." (<http://abcnews.go.com/print?id=7530730>). Ironically, these data were gathered [1991, 2001, 2003] during times when our economic situation was not as dire as it appears in 2009.

A trauma, such as the loss of one's job, can put us at higher risk for depression, substance abuse, anxiety and compulsive behaviors such as: over-eating, excessive gambling, and over spending. Our self-image takes a beating if it has been dependent upon vocation as the measure of our worth. Spiritually, we are also affected by job loss. We may be left with questions such as, "Why me?" or think, "Why has God allowed this to happen to me?" or "How will I be able to keep up my financial contribution since I no longer have a job?" or "How can I walk into church on Sunday and face those people who know that I'm out of work?" Following are some tips gathered from a variety of sources, that may help you get through this rough period in your life.

During this time, it is more important than ever to take care of yourself physically: get enough rest, eat a balanced diet, get plenty of exercise [itself a great stress-buster], learn what you can do to keep your stress level under control. In addition:

- recognize that you are not the only person this is happening to; that you have not been singled out because of something you did or did not do.
- keep to a schedule; plan tasks such as: working around the house, visiting the library, updating your resume – do not sit on the couch and vegetate the day away.
- ask for help – network with people you know for job leads; take part in a support group for tips on re-entry into the job market, or for venting frustration.
- write about your feelings – it can help reduce the sometimes tense emotions associated with the loss.
- keep connected to supportive friends, family, and above all, congregation – they provide valuable support throughout this tough time.
- take this time to learn new job skills – visit your local library, community college, or your state unemployment office [who often can provide financial support for job retraining].
- if hearing about the economic crisis stresses you out, take a "fast" from news media.
- look outside yourself by practicing empathy for others; do some volunteer work
- Pray! Remind yourself that God is walking beside you during this time; lean on Him.

This list is by no means exhaustive, nor is it meant to provide clichéd answers to your problems. If life seems overwhelming, get some outside help: speak to your pastor, your healthcare provider, your parish nurse, or find a mental health counselor to assist you in making some sense of what has happened to you, and to help you get back on track.

# St. Mark's Church Picnic:

Sunday, June 14,  
1 pm

Donna always dreaded Pastor's competitive side as the date for the church picnic neared...
