FEBRUARY 2011

Family Promise: Personal reflections from the Pastor

It is a bit amazing and wonderful that Family Promise of Lycoming County, Inc. is in full operation this winter. The need is quite clear; many people are struggling at the edge of homelessness these days. Local rental prices have risen sharply as the supply of affordable housing has dropped and the job market is very tight. But in this difficult situation, 13 congregations have opened their doors to offer overnight hospitality on a rotating basis, one week at a time, 4 times a year. One of the most startling statistics to me is that we have over 600 persons who are involved as volunteers in some aspect of Family Promise. This goes completely against the expectations of those persons who said that we couldn't do this task in Williamsport, that we would never find enough people to staff it, and there isn't much need for it anyway. Lutherans got the effort started, and we have been joined by Methodists and Presbyterians especially, and supported by many others as well.

At St. Mark's, we have the distinction of being the first congregation to sign the agreement to be a host, we have taken the lead in recruiting other congregations, especially through the efforts of Becky Miller Pryor with me, and had a number of folks serve as volunteers under the direction of Becky and Jane Zimmerer here and also several serve as volunteers at the Day Center. The financial support we have offered to Family Promise has been instrumental in persuading others to get aboard. I have just been elected to my final year as Vice President of FPLC before I leave the Board.

And then there is our third annual Iron Chef Williamsport competition. It is a very visible way to keep the public conversation going about Family Promise and to raise significant funds for the organization as well. Last year we raised \$8,000, four times the amount from the first year. What can we do this year? I hope that the total will rise again. Tickets will be available shortly, and a major publicity event will take place here at St. Mark's on March 16, 11 days before the event. Watch for details shortly. Our competitors this year will be from St. Joseph the Worker (Annunciation parish) led by Fr. Bechtel. I am proud that we have been able to develop this event. Of course the pressure is on for our team to do well again, but we need to remember that the focus is not on the team, but on the goal of supporting the mission of Family Promise.

Thank you to all who serve in person during our hosting weeks, to all those who assist in any way with Iron Chef Williamsport, to those who volunteer at the Day Center, to those who contribute items needed for the program, to those who contribute financially. Every facet of these activities is needed. What wonderful things we can accomplish when we hear Jesus words and take them to heart:

*I was hungry and you fed me, I was a stranger and you welcomed me...;
just as you did it to the least of these my brothers and sisters, you did it to me. [Mt. 25]*

Almost....

We hope to finalize arrangements shortly toward the hiring of a new parish musician. The Search Committee (Carl Hieber, Karen Boone, Deb Buckman, Joyce Hershberger, Bernadette Jones, and Pastor Elkin) clarified our aims, arranged for publicity, communicated with inquirers, interviewed candidates, and finally made recommendations to Mutual Ministry and the Council. We are currently in final negotiations. Look for an announcement very soon.

In the Crossways Room

On Sunday morning at 9:15, join in as we explore a video version of the Gospel of Matthew, and also a video historic investigation of the making of the King James Version of the Bible 400 years ago. It is fun, intriguing and informative. Plenty of seats are available.

Hosting for Family Promise

From Sunday, March 13, 2011 until Sunday, March 20, 2011 we will be hosting families with children who are experiencing a housing crisis. We are in need of volunteers

- to set up Fellowship Hall and the rooms being used for bedrooms,
- drive the van in the morning and evening,
- donate needed supplies, including washable blankets,
- donate money to offset the cost of fresh foods and milk,
- prepare meals,
- serve meals and eat with the families,
- visit in the evenings with our guests,
- stay overnight and get the coffee going in the morning,
- clean up at the end of the hosting week,
- and launder the bedding.

If you have two hours to donate you can be a volunteer and make a difference in a family's life. Please plan now to be part of that difference. If you need additional information please speak with Jane Zimmerer or Becky Miller Pryor.

Sign up sheets will be available in the Narthex beginning February 13, 2011.

Daniel's Closet

St. Mark's continues to assist on a monthly basis with this free clothing outreach of Redeemer Lutheran Church. Several of our members donate clothing or time each month.

Now even our youngest members are assisting with this outreach. Recently the girls of Girl Scout Daisy Troop 182, with assistance from leader Jen Robertson, assembled more than a dozen hygiene kits to be given to people attending a recent distribution. Families in need were grateful for these items.

An Easy Way to Recycle!

We have some gently used altar flowers that are just waiting to bring joy to a shut-in or neighbor near you. If a Sunday delivery isn't convenient you can pick them up in

the church kitchen on Monday or Tuesday. If you don't like hospitals or nursing homes why not give them to someone you know who is having a hard time. Just tell them that St. Mark's wants to give them the flowers so they will know that God loves them. Please sign up in the Narthex today!

It's a Card Shower!

The 95th birthday of Helen Ochs, long-time member of St. Mark's, is February 12th. Her family would like to shower her with cards.

Cards of well wishes may be sent to:

Campus Ministry

The students at Penn College have headed back to class, and our Monday evening Faith Talks are centered around our Spring Break Mission Trip to Washington D.C. from March 6-9. We will be working with the Center for Student Missions. The mission of CSM is to provide an effective urban ministry experience that transforms lives, influences churches and communities, and honors Christ. We are very excited to be going on this trip. UCM will be staying with Star of Bethlehem Church of God in Christ while we are there and the students will have the opportunity to experience first hand the many needs of the poor in the D.C. area. During our mission trip, we will work with the following groups:

Brother's Keeper ministers to the poor and needy in northeast Washington. Sister Jean Campbell runs Brother's Keeper, which strives to meet a variety of physical, economic, and spiritual needs on a 24-hour-a-day basis.

So Others Might Eat (S.O.M.E.) serves breakfast and lunch seven days per week to 500-1,000 persons. S.O.M.E. also provides medical and social services to Washington's poorest of the poor. CSM groups help with food preparation and distribution.

Martha's Table runs both a day care center for poor moms as well as a kitchen that prepares food for McKenna's Wagon, a food-for-homeless program on wheels. McKenna's vans distribute food to five different locations in D.C. CSM groups help in the day care and kitchen at Martha's Table.

We have been doing a lot of fundraisers for our trip and our next fundraiser will be a soup sale at Sam's Club in Muncy on Sunday February 13, from 12:00-4:00 pm. If you are at Sam's that day, please stop by our table and stock up on some home-made soup.

Please keep the students in your prayers. We thank you for your past support and look forward to working with you again this semester.

The ELCA's Young Adults in Global Mission (YAGM) program invites young adults (age 19-29) to embark on a life-changing journey, serving in one of nine countries, working in a variety of fields, and experiencing the transformation that comes with one year of international mission service. Service begins in August of each year. Participants grow in faith as they engage in various church-based and ecumenical partnerships, supported in community and with a commitment to simple living. Participants are placed according to interest, skills, gifts, or growth-areas. 2010-2011 YAGM Country programs are currently hosted in Argentina & Uruguay, Jerusalem/West Bank, Malaysia, Mexico, Slovakia & Hungary, South Africa, and United Kingdom. Application must be received by March 1st, with priority consideration given to applications received by February 15th. For more information, go to: <http://www.elca.org/yagm>.

Living Lutheran To Debut Soon

The Evangelical Lutheran Church in America will soon be debuting LivingLutheran.com. This new ELCA Web site will offer a daily blend of stories, culture, and conversation to ELCA members and friends. The idea behind LivingLutheran.com is to create an online destination where ELCA members can talk to each other about what it means to be "living Lutheran." As the finishing touches are put on the website, church members and congregations are invited to complete questionnaires. Go to www.livinglutheran.com for more information.

To the members & staff at St. Mark's,

Thank you for your cards and condolences on the death of our mother and mother-in-law. Doris' last years were not the best of her long life, 95 years, but your cards and visits meant a lot to her. P.S. A special thanks to Pastor Elkin, Donna, Bud, Joyce, Lou and everyone who assisted at her funeral service.

Dear people of God at St. Marks,
On behalf of the officers, deans and all the members of the Society of the Holy Trinity, I thank you for your generous gift of \$340 during the calendar year 2010. Your gift will help the Society as it seeks to encourage the ongoing formation of a disciplined and faithful ministry of God's Holy Word and Sacraments in the Church and fo9r the world. As we strive for faithfulness in this ministry we pray for your continued support. May God fill you with all faith and bless our common ministry as we celebrate the appearing in the flesh birth of Christ our Lord.

In Christ,
Rev. John E. Priest, STS Secretary

Dear friends,

The holiday season is a hectic time of the year for everyone. However, despite all the hustle and bustle, you took the time to remember someone less fortunate than yourself and for that I am truly grateful.

As you may already know most of our consumers do not celebrate the holidays like we are accustomed to and many of them don't get the opportunity to go home with loved ones. For these reasons, our Christmas Project was initiated, to assure each consumer has gifts to open Christmas morning. In addition, many activities are planned throughout the month of December, so they feel remembered and not forgotten.

These endeavors would not be possible without the help from volunteers from our surrounding communities. Thank you for your support and compassion. Oh behalf of the consumers and myself, I extend to you and yours a heartfelt thank you for your generosity, and for all of your kind deeds in helping to make the holidays joyful for the individuals we serve. I hop you enjoy a healthy and prosperous New Year!

Sincerely,
Renee Tworkoski

Dear members of St. Mark's Lutheran Church,

On behalf of the Society of the Holy Trinity I thank you for your benevolence gift of \$340.00 given to the Society in installments through the calendar year 2010.

We appreciate the fact that your congregation regards the Society as an organization that cultivates faithfulness to one's ordination vows on the part of Lutheran pastors who are members of the Society. Your gift makes it possible to continue to gather members of the Society together in retreats throughout the year for prayer and study and mutual conversation in the practice of ministry and the life of obedience to Jesus.

I pray for Gods blessing on the life and work of your congregation and your pastor, the Rev. Kenneth Elkin, in this new year of our Lord.

Yours in Christ,

Will YOU help in the Nursery?

Volunteers are sorely needed for the Nursery during the 10:30 service on Sundays. All you would be committing to is an hour and a half of your time about every other month—no outside preparation time. Most of our helpers have been doing it for years, do not have children or never use the nursery for their own children, and usually attend early service. So, none of the above is really an excuse for not volunteering.

Please search your hearts and call or e-mail Vicki Hospes at 326-7318 or i2luvny@verizon.net. Thank you!!!!

News in the Pews

A special Get Well Soon wish is extended to our 'Roving Reporter' Joyce Hershberger who writes our *News in the Pews* column. We appreciate her willingness to scour the newspaper for items related to the St. Mark's family.

Thank you Joyce for all you do to produce your monthly article.
 We miss you and are keeping you in our hearts and prayers!

HEALTH, HEALING & WHOLENESS

"When you care enough to give the very best!", may have been intended as a catchy slogan to sell cards, but it may be truer than we realize. The Bible has many references to the heart – over 600, according to Vine's Expository Dictionary. God's acceptance of man is based on the whole heart (Ps. 9:1, Prov. 3:5), God knows the secrets of the heart (Ps. 44:20-21), and God's law must be in our heart (Ps. 37:27-31). Man is taught to keep his heart (Prov. 4:23), and to be pure of heart (Matt. 5:8, Tim. 2:22). Our very existence is meant to mirror the love that God has shown us through the life, death, and resurrection of His Son. When we care for ourselves and for those we love, we can give our *very best* in return to Him.

In addition to Valentine's Day, February is traditionally American Heart month. Just as we often associate a valentine with love, we sometimes automatically associate cardiovascular disease strictly with diseases of the heart. However, cardiovascular disease can affect just one blood vessel, a group of vessels, an organ [such as the heart], or the entire body. Often, one problem will lead to another and another, becoming chronic and progressive, and can ultimately lead to heart attack, stroke, heart failure, or kidney failure. Congestive heart failure, peripheral artery disease, and venous thrombo embolism, are three examples. Here is a brief description of each:

Congestive Heart Failure – a condition in which the heart can't pump enough blood to the body's other organs. The heart keeps working, but not as efficiently as it should. The individual becomes short of breath and tires easily.

Peripheral Arterial Disease (PAD) – in PAD, fatty deposits build up along artery walls and affect circulation, mainly the arteries leading to the legs and feet. In its early stages, a common symptom is cramping or fatigue in the legs and buttocks during activity.

Venous Thrombo Embolism (VTE) – a blood clot that moves through the bloodstream until it lodges in a narrowed blood vessel and blocks circulation. Pulmonary embolism can occur when the clot breaks away, travels through the bloodstream, and lodges itself in a vessel in the lungs.

It is possible to reduce your risk of cardiovascular disease – by eliminating the risk factors you can control, and managing the risk factors you cannot control. These include:

- Eliminating all tobacco products,
- Controlling blood pressure and salt intake,
- Controlling weight,
- Controlling cholesterol,
- With your physician, developing a regular exercise program,
- If diabetic, controlling your blood sugar level, and finally,
- Committing your health and lifestyle choices to the Lord, and asking for His strength in making and keeping your healthy changes.

As we begin our Lenten journey, may we use this time to reflect upon and prepare our hearts ... to emotionally, physically, and spiritually ... in give our very best to Him.

Lenten blessings,
Debbie Best RN, BSW, MHA

Dogs & Snowstorms...Who Knew?

Never let your dog off the leash on snow or ice, especially during a snowstorm—dogs can lose their scent and easily become lost. More dogs are lost during the winter than during any other season, so make sure yours always wears ID tags or is microchipped.
