The Second Thursday of Each Month 5:30 PM—6:30 PM

To keep things warm...

...we need to have a smoothly operating boiler under the Nave. We are still working with the original boiler in that furnace room, installed when the building was new in 1959! The burners were converted from oil to gas in 1998, but the massive steel boiler is still the same. In the past several years we have repaired the boiler's tubes three times, at considerable expense, and it is the judgment of the Property Committee, the Finance Committee and the Council

that now is the time to definitively fix the problems by replacing the boilers. Technology has changed greatly in the 56 years since the original installation, and efficiency has increased from 65 -80% at best, to more than 90% in new equipment.

The problem has been intensively studied by the committees, and five bids have been solicited. We engaged a consultant to help us evaluate the bids, and his recommendation has worked its way through the committees. The Council will bring the recommendation to the Annual Congregation Assembly on May 17, 2015 that we accept the bid of Billtown Mechanical for the replacement of the boilers with two Weil-McClain 399,000 BTU gas-fired aluminum core boilers, at a cost of \$58,550 installed. There will be an additional cost, still to be determined, for necessary asbestos removal by another firm. More details will be made available soon.

The Council has asked that advance notice of this proposed expenditure be published so that we have a chance to begin to gather a portion of the funds that will be needed. The more that we contribute now, the less will need to be taken from our reserves. It is 15 years since we have had a capital project of this nature. Let's get behind it and get things started! Use the extra line on an offering envelope, or make a special gift to the Boiler Fund.

Some bunny wants to say "Thank You!"

Michele would like to thank everyone who donated items for our annual Easter Egg Hunt. Also a huge thank you to everyone who donated their time to stuff the eggs. The young children always end up with a basket or bag that is overflowing with eggs, it is very exciting to see! Thank you for making this another successful year!

Teachers needed for the month of May

Michele is in need of teacher for the month of May. If you are interested in donating your time please email her at <u>mowen@stmarkswilliamsport.org</u>. The end of May is our last Sunday School class in the classrooms, with our church picnic being held on June 7th. Older children that day will help with the picnic while younger children will watch a movie and have a snack in the library. Thank you!

Lycoming County Heroin Task Force Prayer Walk Update

"County-wide prayer walks were held on Sunday, April 19, 2015. Sponsored by the Faith-based Initiative Committee of the Lycoming County Heroin Task Force, the walks were designed to not only create awareness, but to pray specifically for agencies within each community dealing with the effects of the heroin epidemic." (UCLC Newsletter, March 2015)

St. Mark's was the anchor church for the Center City walk. Our church will be open to people wishing to walk and for those that preferred to pray in one place. Ten people participated in the walk. Five were at St. Marks praying and five walked the streets of Williamsport with UCLC Executive Director, Gwen Bernstine. Although the numbers were small the commitment to seeking God's help with this epidemic was great. Thank you to council members Deb Holmes, Ray Huff, Tim Maggs and Paul Zimmerer for their assistance. Prayer cards from this event are available in the Narthex.

Lunches for Habitat for Humanity

Can You Help?

I have been in contact with the local Habitat director. At this time I have not been given any dates for providing lunch. But I am thinking our first luncheon could be in May or June. Thank you to the folks who took the time to express their support for this outreach. I will be in touch when know more.

We did 40,000 meals to end hunger!

STOP HUNGER NOW.

Pastor Kerry Aucker of St. John's Lutheran in Jersey Shore organizied a meal packaging event on April 11, 2015 in Jersey Shore. He was able to receive funds totaling \$10,000 (The upfront cost to host this event) and volunteers to package 40, 000 meals. All of the meals were distributed to area food banks including the Central Pennsylvania Food Bank in Williamsport.

Ten volunteers from St. Mark's had an eye-opening time participating. Thank you to Donna Elkin, Deb Holmes, Sandy Jansson, Time & Deb Maggs, Becky Miller-Pryor, Kirk, Michele, Devin and Dawson Owen. We exceeded our donation goal with \$118.43 being collected. Thank you to all who donated to this outreach.

The Bazaar Room is Open!

Finally spring has arrived and with that comes spring housecleaning. If you are finding items you no longer need, the Women of St. Mark's will gladly accept them for their Fall Bazaar. The Bazaar Room is open for your donations of holiday decorations, housewares, toys in good condition and other treasures you no longer need or want.

Please be sure all donated items are clean, in good condition and working properly.

We are asking anyone who is placing items in the Bazaar Room to pack them securely in a box that we can move easily at the time of the bazaar. Computer paper boxes or similar sized boxes are ones we can move easily. Please place your donations away from the entranceway.

We **cannot** accept cribs, mattresses, car seats, broken or non-working items of any kind, mismatched plastic containers, outdated computers / electronics, TV's, textbooks, encyclopedias or large pieces of exercise equipment. Clothing may be donated to Daniel's Closet.

<u>This year's Fall Bazaar will be Saturday, September 12, 2015</u>. With your help it will be a success. Contact Shirley Hill or Becky Miller Pryor with questions.

Thank you for caring!

Many thanks are given to the congregation for their regular donations of non-perishable food items. Gail Burkhart, coordinator of the **United Churches Food Bank** reports that the need for non-perishable food items is greater now than at any time in their past history. During March 444 families received a three day supply of food. Please consider regularly donating one or two non-perishable food items to assist with their outreach. Donations may be placed in the bins in the Narthex.

The Shepherd of the Street's office is in great need of family hygiene items, particularly deodorant for men and women, as well as baby care items and disposable diapers in sizes five and six. Is it possible for you to donate an item or two to the Shepherd's outreach? These donations may also be placed in the bins in the Narthex.

Daniel's Closet

Spring is here and so is the need for lighter weight clothing and jackets in good condition, accessories and shoes in all sizes from infant to adult are needed. EASTER BREAKFAST UPDATE

tor

We couldn't have asked for better weather for our annual Breakfast with the Pastor and Egg Hunt. Everyone who came had a great time eating a wonderful breakfast prepared by our high school and middle school youth, searching for hundreds of eggs (each one with a special treat or trinket), and, finally, helping to fill the jelly bean bags for the members of the congregation, to be handed out on Easter morning.

The teens who cooked were Jacob Schreckengast, Stefan Weber, Ezra Buckman, Anna Zeigler, Dylan Ott, and Ashton Ott. Our table-setters and egg-

hiders were Grace Schreckengast, Laura Zeigler, Sean Jensen, Lynna Robertson, Owen Gair, Gillian Buckman, Annika Waffenschmidt, Sadie Wentzel, and Dawson Owen. Taylor Wentzel was our all-around helper, lending a hand or two wherever needed. Additional thanks go out to Lou, Bob Miller and Michele.

*note for next year: please feel free to bring grandkids and neighbors!!!

Vacation Bible School

Open to children aged pre-school to fifth grade. Sixth grade and older welcome as aides

Sun., June 14 - Thu., June 18

5:30 - 8:30 pm

Sun/Mon at St. Mark's, Tue/Wed at Trinity

Thursday's special event TBA

This year, we have a special treat for Vacation Bible School: we are joining forces with Trinity Episcopal Church to bring in two leaders from Camp Mount Luther for an exciting new experience!

The theme is "A Love that never Ends," during which we will discover how God shows his love for us and how we do or should respond to that never-ending love. We will learn about this by exploring the stories of Abraham, Moses, Jonah, Ruth, and Jeremiah.

We will be two nights here at St. Mark's, then two nights at Trinity. Our fifth night will be at either Susquehanna State Park or Montoursville Park along the river. On our nights, we are responsible for the meals, snacks and crafts—Trinity will provide these when we are there. On the final night, we will share the cost of hotdogs and rolls and ask all families to bring a dish to share.

VOLUNTEER-WISE, we will need food and craft people for the two evenings we are hosting...so that's only Sunday and Monday. If these folks wish to tag along the rest of the week or join us for the final day, of course, they are more than welcome. TEEN ASSISTANTS are needed, as always. And we will need leaders for the various "families" of children—we will need these instructors all week to give the kids a sense of continuity as we change venues. It's sure to be an exciting time!

Please consider joining us for this exciting opportunity!

Ongoing Collections

The Penny Chest in the narthex is always available for donations, we appreciate every cent and the money collected goes to our youth activities.

We are still collecting stamps and they can be placed in the basket in the narthex. The stamps are used in various activities for those in rehabilitation/

Tabs are collected all year round and are donated to the Ronald McDonald House which helps with their cost of maintenance, electricity, etc. Tabs can be dropped off in the narthex or in the clear container in Fellowship Hall.

Family Promise Hosting Week

Consider Volunteering for Family Promise in May

We will welcome our guests from Family Promise on May 10. Debbie and I are now scheduling volunteers for our hosting week, May 10 - 17. The volunteer jobs needed are set-up, dinner prep and hosting, desserts, laundry, drivers, evening hosting, and overnight hosting.

'Day of Rest" thing too far!"

This time we anticipate a need for new overnight hosts since some of our regulars will be vacationing. What an opportunity for you! There couldn't be an easier task. You arrive at 8, greet the families if they aren't already in their rooms for the night, have a snack, read a book, and sleep on St. Mark's comfy air beds. Most bring their own bedding, but we can even provide this for you if you forget or would rather use the church's. In other words, your job is to sleep. The families leave by 7 a.m. during the week and later on the weekend. You don't even need to give a wake-up call if you are a late sleeper. Talk to me or Debbie if you are interested in this very difficult sleeping job, or any of the other jobs, especially driving.

"Mom, I think Dad is taking this whole And while I'm asking for new volunteers, may I say that Debbie and I have been so very happy and proud that St. Mark's members have consistently stepped up

to fill all the jobs needed. Thank you all so much for everything you have done to support Family Promise.

Donna Elkin & Deb Maggs

Children's Church

CHILDREN'S CHURCH next meets Sunday, May 10... YES! On Mothers' Day! Please join your children at their special service at 10:30 in the Chapel. We all come back to the Nave in time for Holy Communion.

The children's special offering this month is small

lollipops (ex. dum-dums) or the small tootsie rolls (regular or fruit) to be handed out at St. Mark's 4th of July celebration! We look forward to seeing you and your family at our Mother's Day service! Children of all ages are welcome!

MILESTONE MINISTRY

Blessing of the Keys

We have a special milestone celebration for the youth in our congregation who attain their junior driver's licenses. It's a meaningful observance, during which the new driver gives up something from his or her childhood in exchange for the new responsibility of driving. We have also developed a means of recognition for those drivers receiving their senior license.

BUT YOU NEED TO TELL US WHO SHOULD BE RECOGNIZED!!

Since different families have different timetables for these events, we can't just refer to the church register for the information. We have no idea which youth are reaching this important milestone in their lives—unless you tell us!! Please let the church know if your child has recently received a junior or senior license as soon as possible. A date for celebration will be set once we know who these special teens are. *PLEASE CALL US!!*

Recognition of Graduates

...from high school or college?? Let us know so these young people can be recognized f or their accomplishments!!

Call or e-mail the office no later than MAY 12—we're waiting to hear!

1ST Annual Easter Morning Celebration

CHRIST IS RISEN The First Annual Easter Morning Celebration was a wonderful event! For the first time this year, we combined the few who attend Sunday School on Easter with the choir members' breakfast and came up with a sum greater than its individual parts! Upwards of 40 people attended this joyous meal provided by many members contributing different items and dishes. Offered between the morning ser-

vices, those from early church were invited to stay and those from late service were welcome to come beforehand to join us in Fellowship Hall.

Over a dozen children, youth, and adults chose to join Pr. Elkin in making a Christ Candle for their homes. Will we hold the celebration again next year? You betcha!

Please plan to join us!

CATECHETICAL TRIP TO SOUTHEASTERN PA

On Saturday, April 11, 2 students, 2 parents, 1 mentor, and 1 pastor piled into a van and headed southeast to Trappe, PA, where they visited Old Augustus Church. The docent there, Jennifer Wentworth, was one of the best yet! After visiting there, they drove to the Hopewell Furnace National Historical Site, a community built around the smelting of iron during the Revolutionary War and, in 1789, was a leader in the production of iron for the young nation. They visited Ephrata Cloister in the afternoon, learning about life in a religious community. Here is what the students had to say about their trip:

"Augustus Lutheran Church is the "oldest unchanged Lutheran church still in use in the United States of America". The original congregation (formed in 1730) worshiped in a barn because they did not have a proper church. That changed, however, when Dr. Henry Melchior Muhlenbuerg arrived from Germany in 1742. He demanded that a proper church be built, and he helped design and construct Augustus Lutheran Church. It was completed in 1743. The classic, German architecture made German immigrants feel at home when they came to America from over seas. The services originally lasted between 2 and 4 hours. The sermon alone could be 1 to 2 hours! Imagine sitting in a church building for 3 hours, in straight backed pews, in the middle of winter, every Sunday, in the freezing cold, with nothing to keep you warm except a warm brick at your feet! Well that's what these people did! But, by 1860, the congregation had outgrown the small church, and they constructed a new church. The "old church" in now only used for Christmas Eve service, and also throughout the summer. In my opinion, Augustus Lutheran church is a truly interesting place, and I would love to visit again." ~ Hannah Haussmann

"I loved the Hopewell Furnace! There were a lot of cool things there. The Hopewell furnace made iron for stoves, so it made a lot of charcoal, too. I got to go into a wooden tent-like thing. The tent was something some of the workers would stay in. We also went into the Big House where the founder stayed. There were bulls there! There was also a cat. The place was just amazing. There were also a lot of cool rocks." ~ Gillian Buckman

Thank You...and you...and you...and you...and

Dear St. Mark's Family & Pastor Elkin, Thank you for all the acts of kindness you did during our loss and John & Justin. The funeral service April 4th was beautiful, especially the music. The luncheon was served by special people and we appreciate their service. Thank you for the prayers, cards and gifts of good. God bless you always, Ruth Burkholder & family

Dear folks, Thank you for the lovely lilies. Some one suggested that we plant them outside for the enjoyment of others.

Love, Liz Ruesskamp

Dear Pastor Elkin, 'kitchen crew' and all people of St. Mar's who helped with Dad's funeral service ~ Thank you so much for providing such a beautiful memorial service and for serving the meal and providing the desserts and beverages. Thank you also for all of the support and love that you provide for my mother. Sincerely, Carol Laborie

My dear friends, How can I ever thank you for what you have given to St. Anthony's Center? You give of yourselves and don't count the cost. Each day I thank God for you. He looks down upon you with a smile and says to each of you, 'Well done, good and faithful servant. Whatever you did to the least of these brothers and sisters of mine, you did it for ME.' God love you one and all

Civic Chorus Concert

Civic Chorus Concert: A Cloud of Witnesses will be held Sunday April 26 at 3 pm at St. Mark's Lutheran Church. Comprising a requiem of sorts, the concert's musical styles range from folk to classical, ancient to modern, sacred to secular, with arrangements and original compositions by Music Director Ned Wetherald in his final performance with the Williamsport Civic Chorus. Tickets are \$12 general admission/\$10 senior/student, Children under 12 free when accompanied by a paid admission.

If you are in the market for gardening supplies go to the Organic Garden Center which is located at 1307 Park Avenue in the Pajama Factory. **Marc and Brian Kinney** have become partners with Carl Narbor in this new venture- they have soils, seeds and nutrients for a variety of plants and also grow lights and hydroponic equipment so you can grow all year!

Caught a glimpse of **Ruth Pile** attending the ecumenical luncheon at Pine Street Church which featured a discussion of the Passion of Christ. In that same newspaper noted an article about St. Mark's successful Iron Chef competition. This is the sixth time our team has been victorious.

Three of the musically talented members of the congregation had the unique experience of attending and participating in the 150th anniversary of the Confederate surrender at Appomattox, Virginia. **Donna Elkin, Laura Schreckengast and Nancy Moff** were front and center in the performance. Donna was pictured in the video just off to the side of the speaker. All agreed it was a highlight of their musical careers!

Pastor and Donna were also part of the Williamsport Chamber Choir and Orchestra concert which was held at St. Mark's last week. I'm sure Donna barely had time to unpack before she was onstage for this lovely concert of Mozart, Haydn and Brahms. And now **Pastor** is hiking the Camino in Spain with **Rick Coulter**, another member of St. Mark's.

Taylor Wentzel was named to the distinguished honor roll at Loyalsock Middle School. If you want to be sure to see your child's honor roll listing send me a notice - don't count on my failing eyes! Also saw Grace Schreckengast listed on the high honor roll at Loyalsock Township High School and Jacob, not to be outdone, on the 11th grade honor roll.

Lots of good things happening and lots of things and members to be proud of at St. Mark's!
