Commandments to follow

The ten commandments give us a map for life. God gives us guiding rules just like families have rules about life in their homes. Doing what God commands makes a big difference in the way we live and serve every day.

In the space below, draw a map of places you go during a regular day. God's commandments will help you in all of those places.

YOU SHALL HAVE NO OTHER GODS. Keep God's name

You shall not steal. *You shall not use words to hurt your neighbor.*

*You shall not commit adultery.
take anything from anyone.*

**You shall not want someone
holy. REMEMBER THE SABBATH DAY.**

*Honor your father and mother. You shall not kill.
You shall not want to
else's belongings.*

*Help us to keep your
commandments, Lord.*

Amen

This week

Talk about God's commandments at home: one each day and two on the even days until you've done all ten of them, then put them into action.

gather

Welcome to worship.

At times we all try to add or subtract some things from God's commandments. We fool ourselves into thinking that our ways are better than God's ways.

Add or subtract the numbers below each line to figure out what word should be printed there. When you have done them all, you will have a Bible verse.

Hear and do

James 1:17-27

After we hear God's word and talk about serving we need to "walk about," meeting people and serving them. Our feet and hands become servants of God. Follow the maze and stop at each person that needs to be served.

What item outside the maze would help each person? Put the correct letter in each blank to match the person in need to the kind of help that's needed.

Talk about ways to serve some of the people you know.
