

# Send

## Caregivers

Jesus sends helpers to care for you.

Color in all of the boxes with an X or a K to find three people who help you.

Third Sunday in Lent

## gather

Welcome to worship. Today is the third Sunday in Lent. List things in your worship space that are made of wood.

---

---

---

Wood is used for very important things in the Bible.

## This week

Fruit has beautiful designs inside. Cut an orange across to find a wheel shape. Cut an apple across to find a star of seeds. Each time you eat some fruit, give thanks for Jesus' love and care.

Noah's ark was made of wood.

So was the special box that held the Ten Commandments.

During Lent we remember that Jesus died on a cross made of wood.

## The fig tree

Luke 13:6-9

Today Jesus tells a story about a fig tree. Use the pictures to help you read it.

 on it. The  said to his ,

“For three years this  has had no .

Cut it down!” The  answered, “Let it alone

one more year. I will care for it.”

Like the fig tree, we have good times and bad times. But Jesus always cares for us, like the gardener cared for the fig tree.

## Fruits of faith

Like the gardener in the Bible story, Jesus cares for us. We feel Jesus' care through the loving people in our lives.

On each piece of fruit, write the name of one person who cares for you.
