Come and see

People like Martin Luther King Jr. followed God's word. They told others to "come and see" Jesus with their words and actions. We can do it too.

Solve the puzzle. Remember its words through the week. One is done for you as an example.

Spread the news

John 1:29-42

News about Jesus spread from John the baptizer to the disciples, including Andrew and Simon Peter. The disciples spread the news to even more people. We are in the chain of believers too.

Dear Lord, help us share your message of love and belonging with others. Amen

Remember those who have told you about Jesus. Pray a prayer of thanks for them.
